### Gastroenterology

Colleen Farnum earned her master's degree in Physician Assistant Studies at the University of Saint Francis in Albuquerque, NM, and has specialized in gastroenterology since 2013. "I understand that one approach does not fit all. So I embrace the challenge of tailoring medicine to meet the needs and desires of individuals."

Colleen began her career as a surgical PA in California before moving to the Roaring Fork Valley. Outside of work, Colleen can be found on mountain bike trails in warm weather or fat-biking on snow-covered trails in winter. She is enjoying raising her daughter in this wonderful valley.
